

# RAHUL UBAL

## FULL-STACK WEB DEVELOPER

### CONTACT

- +91 7350723781
- ubalrahul06@gmail.com
- 42,S.T.Colony, Vijapur road, Solapur

### EDUCATION

- Currently studying at  
N.K.ORCHID COLLEGE OF  
ENGINEERING & TECHNOLOGY
- Btech 2<sup>nd</sup> year Artificial Intelligence and Data Science Student

### COMUTER SKILLS

- Programming Languages: HTML, CSS, JS
- Frontend Development: Tailwind CSS, React
- UI/UX Design: Responsive Design, Cross-Browser Compatibility, Animations
- Performance Optimization: Page Speed,
- Tools & Platforms: VS Code, Devtools

### PROFILE

Experienced Full-stack Developer skilled in HTML, CSS, JavaScript, React, Tailwind CSS, Locomotive js, Node.js, express.js, Mongodb database. Proficient in building responsive, modern, and visually appealing web applications with a strong focus on UI/UX design, performance optimization, and cross-browser compatibility. Passionate about writing clean, maintainable code and leveraging modern frontend technologies to enhance user experience. Adept at collaborating with teams to develop scalable and high-quality digital solutions.

### WORK EXPERIENCE

#### Full-stack Developer | Self-Employed / Freelancer 2022

- Built responsive and modern web applications using React, JavaScript, and Tailwind CSS.
- Developed landing pages, portfolios, and small business websites with optimized UI/UX.
- Worked on personal projects to enhance skills in frontend development.
- Focused on performance optimization, accessibility, and clean code practices.

### PROJECTS

#### Interior Designer Website

- Technologies: HTML, CSS, JavaScript, Tailwind CSS
- Developed a modern, responsive website for an interior design business.
- Used Tailwind CSS to create a clean, visually appealing layout.
- Implemented smooth animations and interactive UI elements for better user engagement.
- Ensured cross-browser compatibility and mobile responsiveness.
- Optimized performance and loading speed for a seamless experience.

#### Natural Vitamin Grocery Store Website

- Technologies: HTML, CSS, JavaScript, Tailwind CSS
- Built Natural Vitamin, a fully responsive grocery store website with a user-friendly interface.
  - Designed an intuitive product listing page with categories and filtering options.
  - Implemented interactive animations and hover effects for better UI/UX.
  - Ensured fast loading speed and smooth navigation for a seamless shopping experience.
  - Focused on mobile-first design and cross-browser compatibility.

## LANGUAGES

- English (Fluent)
- Hindi (Fluent)
- Marathi (Fluent)
- Sanskrit (Basics)
- German (Fluent)

## SOCIAL SKILLS

- Project Management
- Public Relations
- Teamwork
- Time Management
- Leadership
- Effective Communication
- Critical Thinking

## SOCIAL LINKS

## ACHIEVEMENTS

- ✅🏆 Hackathon Winner
  - Won the Hackathon coding competition at V.V.P Polytechnic, showcasing problem-solving skills and innovative thinking.
  - Developed a "full-stack web application" within the competition timeframe.
- ✅🏆 Technical Quiz Champion
  - Secured top positions in multiple technical quiz competitions, demonstrating strong analytical and problem-solving skills.
  - Excelled in topics such as programming, algorithms, and technology trends.
- ✅🏆 Soft Skills Excellence Award
  - Recognized for outstanding communication, leadership, and teamwork skills in a competitive event.
  - Demonstrated strong problem-solving, public speaking, and interpersonal abilities.
- ✅🏆 Academic Excellence
  - Achieved topper position in two consecutive semesters.
  - Secured 3rd and 2nd position in three semesters, maintaining a strong academic record.
- ✅🏆 Wisotech - National Level Project Competition
  - Secured a top position in Wisotech, a prestigious national-level project competition held at [Your College Name].
  - Recognized for an innovative project on [mention project topic, e.g., "AI-based automation" or "IoT security system"], demonstrating technical excellence.

## HOBBIES

- 🏋️ Bodybuilding – Strength training, fitness, and maintaining a disciplined lifestyle.
- 🧩 Problem-Solving – Engaging in coding challenges, puzzles, and analytical thinking.
- 🧘 Meditation – Practicing mindfulness and improving focus.
- 🎮 Action Gaming – Playing fast-paced action games that enhance reflexes and strategy.

## DECLARATION

- I hereby declare that the information provided above is true and correct to the best of my knowledge and belief.
